SUBJECT

Appointment of Mr. K. Ramanuja Iyengar as Engineer of the H.A. Sanitary Bd.

The Pres. H.A. Sanitary Bd

L 6822 - dated 9.1.45

Proposal for projects

Also we is not that Mr K Ramanuja Iyengar should be posted for work

13/1

Letter no. P.17 164-45 dated 6-12-44 from the President Hindustan Aircraft Sanitary Board requesting in the circumstances stated Sanction to appoint one MR K. Ramanuja Iyengar Surveyor, as Engineer of the Sanitary Board on Rs 105 in grade Rs 75-10-125 and are enhanced C allowance of Rs 50.

1. The proposal of the President Hindustan Aircraft Sanitary Board is to appoint one MR Ramanuja Iyengar, Surveyor, on Rs 80 + 20 (C.A) p.m as Engineer of the Board on Rs 105 + Rs 50 (C.A) p.m. (in the Sanctioned appointment of an Engr on a pay of Rs 75-10-125 plus C.A Rs 25)

2. Though it has already been pointed out to the Board (in some other connection) that the expenditure on establishment is already very high, proposals of this type are still being submitted for Sanction.

3. In the limited area of the Sanitary Board, it is not known if complicated Engineering works requiring the talents of a very experienced officer will be taken up in large number. Even if they are taken up now and then, the assistance of the officers of the P.W.D can be taken, whenever necessary. The routine work can perhaps be managed in the usual course

4. If MR Ramanuja Iyengar is appointed as Engr of the Board on the terms proposed now, he will have to be paid Rs 55 (in all) p.m more than what he is getting now. The Sanctioned appoint-

ment is Rs 75-10-125 + 25 = According to this proposal of the Board there will be an additional recurring expenditure of Rs 555 p.m. or Rs 6660 p.a. (if M.A. Ramanuja Iyengar is appointed) over the Sanitary scale.

The recommendation of the President-H.A.S. Board is submitted for orders.

Kms 7/22/44

The area included in the Hunasekanakere Sanitary Board consists of 35 villages in all.

No doubt the appointment of an Engineer on Rs 75-10-125 plus C.A. 25 has been sanctioned for this area. This Board has been constituted only a very short time ago and there is hardly any work to be attended to by the Engineer. Further, there is no provision in the Budget of the Board to take up any public works during the current year. There is no necessity to have an Engineer on such a high pay. The establishment is already heavy. It would perhaps be sufficient for the present to have a Surveyor on Rs 80/- p.m. to work under the Revenue Officer of the Board. Or a Jamadar or Workman may be entertained to the works get through, for the time being.

The question of having an Engineer may be considered after the Budget Estimates of the Board for 1945-46 are prepared & their need proved for public works

Having regard to the above facts, it may not be necessary to sanction the proposal.

Office of the President,
Hindustan Aircraft Sanitary Board,
Bangalore, 6th December 1944

From:

P. H. Krishna Rao, Esq., M.A.,
President, Hindustan Aircraft
Sanitary Board, Bangalore.

To

C. Narayanaswamy Naidu, Esq., B.A.,B.L.,
Secretary to Government, Law Department,
Bangalore.

Sir,

Re: Appointment of an Engineer to the
Hindustan Aircraft Sanitary Board.

***

I have the honour to state that Government in their Order No: L.71-76/ V.P.22-44-2 dated 3rd July 1944 have sanctioned, among other things, the appointment of an Engineer on a pay of Rs. 75-10-125 plus C.A. Rs. 25/-. With a view to secure the services of an experienced Engineer to fill this post, the Chief Engineer, Irrigation, was requested to spare the services of one Mr. K. Ramanuja Iyengar, Surveyor, working at present in the Chitaldrug Sub Division. Mr. Ramanuja Iyengar was working for a long time in the Bangalore City Municipality and is a very efficient and experienced person, specially suited for work in local bodies. As such, he was considered to be best suited to fill the Engineer's post in this Board. But Mr. Ramanuja Iyengar represented that he has already been getting Rs. 80/- plus Rs. 20/- in Chitaldrug and that in view of the costly life in Bangalore and the responsible nature of work in the Board, he may be granted the maximum of the grade pay, i.e. Rs. 125/- in grade Rs. 75-10-125 with a Conveyance Allowance of Rs. 50/-, as in the case of the other Officers of the Board. This matter was considered at length by the Board at its meeting held on the 9th ultimo and in view of securing the services of an efficient and experienced Engineer, it was resolved to fix the pay of Mr. Ramanuja Iyengar at Rs. 105/- in

The collection containing this G.O. has been put up in some other connection

grade Rs. 75-10-125 and give him also an enhanced Conveyance Allowance of Rs. 50/-.

A copy of the resolution of the Board is enclosed for information.

As the services of an Engineer are required immediately in the Board, orders of Government sanctioning the proposals of the Board, may kindly be obtained and communicated very early.

I have the honour to be,
Sir,
Your most obedient servant,

14. Other subjects, if any.

A) Appointment of an Engineer.

"It was explained by the President that Mr. Ramanuja Iyengar who has been selected for the place represented that he has already been getting Rs. 80/- plus Rs. 20/- in Chitaldrug and that in view of the costliness of life in Bangalore he would be prepared to come on transfer to the Board, if he could be given the maximum pay of the post here, i.e. Rs. 125/- with a Conveyance Allowance of Rs. 50/-. It was resolved that as Mr. Ramanuja Iyengar is an experienced and efficient Engineer, having put in a long service in the Bangalore City Municipality and is very suitable for the place of the Engineer in the Sanitary Board, a recommendation may be made to Government fixing his pay at Rs. 105/- in the sanctioned grade Rs. 75-10-125 with a Conveyance Allowance of Rs. 50/- as in the case of the Revenue Officer and the Health Officer."
